H.E. Mr. Omar Hilale
Permanent Mission of the Kingdom of Morocco to the United Nations
866 Second Avenue, 6th and 7th Floors
New York, N.Y. 10017

Dear Ambassador Hilale,

We are writing on behalf of the World Jewish Congress (WJC), the largest global umbrella Jewish organization comprising 100 Jewish affiliate communities the world over. As the premier representative body, we act as the political and advocacy arm of world Jewry to governments, human rights groups, and international organizations on issues that deeply affect the welfare and needs of our communities and many others all over the globe.

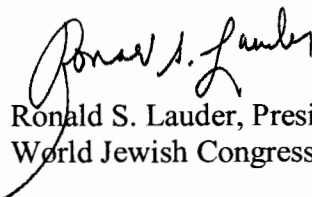

We are writing to respectfully request a meeting with your country's Head of Delegation to the General Debate segment of the 69th United Nations General Assembly (UNGA) in September. The WJC places uppermost value on opportunities for direct and substantive discussion with the leaders of your government. In light of the important role Morocco plays in the UN, we would greatly appreciate the opportunity to discuss issues of common and current concern with the Head of your Delegation including racism and anti-Semitism, peace in the Middle East, Iran's illicit pursuit of nuclear weapons, and the fairness and effectiveness of the United Nations to all member states.

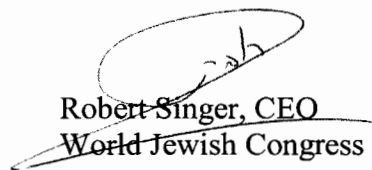

We would be pleased to meet your Head of Delegation at a location of convenience; including either your mission, hotel, or at our offices near UN headquarters, during the week of the General Debate with the exception of the afternoon of September 24, and all day on September 25 and 26 when our offices will be closed for religious observances.

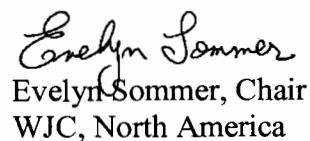

We very much hope we can find a mutually convenient time during or around the period of the General Debate. Kindly reply to Adina Suberi at asuberi@wjcmail.org, (212) 755-5770 x221, or feel free to call Betty Ehrenberg, Executive Director, behrenberg@wjcmail.org at any time at (917) 514-1102, with any questions that you may have.

We thank you very much in advance for your kind consideration.

Very best regards,

Ronald S. Lauder, President
World Jewish Congress

Robert Singer, CEO
