Subject: USG DPKO Mr. Hervé Ladsous (France)

It gives me great pleasure to announce that effective 3 October 2011, the United Nations Secretary-General Mr. Ban Ki-Moon has sworn in Mr. Hervé Ladsous of France as Under-Secretary-General for Peacekeeping Operations replacing Mr. Alain Le Roy.

In a code cable to all missions Mr. Ladsous conveys his gratitude for being chosen to take on the challenges at the helm of DPKO and looks forward to working with a team of highly competent and dedicated professionals at DPKO and DFS both at HQ and in the Field.

We expect a Video Telephone Conference with the USG DPKO and MINURSO Senior Management some time in November followed by a possible visit to all field missions.

Please join me in welcoming and congratulating Mr. Ladsous.

Regards.
