Objet : As Promised

Good morning Ambassador. I hope you are well.

As promised, after many revisions and updates, here is the memo you requested on the upcoming elections for the US House and Senate and their possible impact on Morocco and the US-Morocco bilateral relationship.

I would be happy to discuss with you after you've had a chance to review it.

And thank you for your persistence in getting the 2012 payment of our invoice completed. I know it wasn't easy.

Warm regards

Toby
